

## ***AEC is a Caring Community - Activity***

AEC would like to thank our essential services workers for all they do!

Students are asked to create a drawing or message thanking our essential services workers. If we have missed any essential services workers on our list below, please include them in your submission.

Take a picture of the student's work (it will be posted on social media) and send it in an email to their classroom teacher.

These will be compiled into a series of iMovies which will be tweeted on the AEC twitter account.

Keep watching the AEC Twitter feed to see your drawing or message!

Grade	Pre-Primary	Primary	One	Two	Three	Four
Group to say 'thank you' to	health care workers	grocery stores gas stations food banks farmers health care workers	truckers tradespeople – such as plumbers carpenters electricians mechanics pharmacists health care workers	media nursing homes Premier McNeil and Dr. Strang RCMP health care workers building supplies	cleaners banks utilities – internet, power garbage/recycling department of highways health care workers	paramedics postal workers restaurants and their delivery drivers firefighters local government health care workers
