

AEC 'Virtual' Meet the Teacher Thursday, September 17, 2020

7:00-8:00 p.m.

This is our first ever virtual 'Meet the Teacher' night! Please be patient as we try this new technology 😊.

Teachers and school community partners will be available during this time for you to 'drop in' virtually to say hello. Please remember this is not an opportunity to discuss individual student progress or share personal information, as there will be other parents in the meeting too.
