

WELCOME TO SAINT ANDREW JUNIOR SCHOOL!

SPRING, 2020

Dear Grade Four and Parent/Guardians;

As we wrap up home learning in the SRCE, we are also working to help grade four students from AEC learn about their new school, SAJS! Moving to a new school is an exciting step for your child but can sometimes cause students to feel nervous about the upcoming change, especially during these uncertain times. Since grade fours were not able to join us this year for a tour, we created a virtual tour. We also have a presentation sharing some pictures, information and student testimonials about SAJS. We will send both the presentation and the virtual tour out to you before June 5th. When school resumes, our 'Welcome Committee' will be ready to support our new grade fives with navigating their new school, bus loop and more for a smooth transition. If you have any questions or concerns, feel free to contact one of us below.
